Fishery Leaflet 9
Revised November 1958

AVAILABLE LEAFLETS ON FISHERIES - 1958

Compiled by Carl T. Sakata
Conservation Aids Unit

The following is a list of fishery publications available free-of-charge from the Fish and Wildlife Service. In view of this fact, requests for large amounts of each publication will be carefully reviewed to insure fair distribution to all interested parties.

To enable expeditious handling, it is suggested that requests be accompanied by the identification letter and number.

Abalone
Sep. 322 Preliminary investigations of the southeastern Alaska abalone.

Agar
FL 118 Agar, agaroids and the American agar industry.
FL 173 Agar and other seaweed gums: A summary of data on chemical and physical properties.
FL 261 Partial bibliography relating to agar.
FL 307 Syneresis of agar gels.
Sep. 263 Feeding studies with the gum of Gracillaria confervoides and carboxyemthylcellulose.

Alaska
FL 108 The relative productivity and value of the fisheries of the U. S. and Alaska.
FL 254 List of fishery associations in the U. S. and Alaska.
FL 292 List of fishery cooperatives in the U. S. and Alaska.
FL 298 Employment possibilities in the Alaska fishing industry.
FL 330 Experimental fishing trip to the Bering Sea.
FL 342 Report of Alaska exploratory fishing expedition, fall of 1948, to the northern Bering Sea.
FL 369 Exploratory fishing expedition to the northern Bering Sea in June and July, 1949.
FL 380 Byproducts of the Government-operated fur-seal industry.
FL 393 Preliminary review of the fisheries of the U. S. and Alaska.
FL 413 Common or local names of commercial fish and shellfish of Alaska.
Sep. 311 The John N. Cobb's shellfish explorations in certain southeastern Alaskan waters, spring, 1951.
Sep. 320 Potential markets for Alaska salmon cannery waste.
Sep. 322 Preliminary investigation of the southeastern Alaska abalone.
Sep. 361 Southeastern Alaska exploratory herring fishing operations, winter, 1952-53.
Sep. 369 Relative productivity and value of the fisheries of the U. S. and Alaska, 1951.
Sep. 371 Offshore salmon explorations adjacent to the Aleutian Islands, June-July, 1953.
Sep. 398 Bottom fish and shellfish explorations in the Prince William Sound area, Alaska, 1954.
Sep. 425 Utilization of sea-lions in Alaska.
Sep. 440 Alaska shrimp waste has possibilities as hatchery food.

Alewives
FL 26 Salted river herring, Chesapeake Bay.
Sep. 511 Damariscotta (Maine) alewife fishery.

Alligators
FL 164 Alligators.

Aquarium Fishes
FL 57 Care of goldfish.
FL 315 Aquarium construction in the home workshop.
FL 323 Snails.
FL 331 Culture of daphnia.
FL 411 Care of tropical aquarium fishes.
FL 443 Construction of a garden fish pool.

Aquatic Biology
FL 162 Publications on aquatic biology.

Baits
FL 23 Earthworms for bait.
FL 28 Fish baits: Their collection, care, preparation and propagation.
FL 337 Keeping live shrimps for bait.

Bass

FL 175 Striped bass.
FL 451 Striped bass.

Breathing

FL 55 Breathing in fishes.

Byproducts

FL 370 Utilization of fishery products of Washington and Oregon.
FL 380 Byproducts of the Government-operated Alaska fur-seal industry.
Sep. 366 Vitamin content of fishery byproducts.
Sep. 393 Vitamin content of fishery byproducts.
Sep. 394 Study of pharmaceutical and other industrial products from salmon eggs.
Sep. 411 Unidentified growth factors in fish byproducts.
Sep. 504 Potential byproducts from Alaska fisheries: Utilization of salmon eggs and salmon waste.

Canning

FL 37 Canning Atlantic and Gulf oysters.
FL 79 Operations involved in commercial canning.
FL 80 Canning salmon (commercial).
FL 81 Commercial canning of sardines.
FL 82 Canning tuna commercially.
FL 83 Commercial canning of mackerel, other fishes and pet foods.
FL 84 Commercial canning of clams, oysters, mussels and squid.
FL 85 Commercial canning of crabs, lobsters and shrimp.
FL 86 Commercial canning of specialty products: Fish balls, clam chowder, fish cakes, turtles and terrapins, frog legs and clam bisque.
FL 87 Commercial canning of fish roe and caviar.
FL 88 Canning products hermetically sealed but not processed: Anchovies, codfish, herring, oysters, West Coast crabmeat, salmon, shrimp and seafood cocktails.
FL 89 Spoilage in canned fishery products.
FL 90 Nutritive value in canned fishery products.
FL 295 Chemical composition of some canned fishery products.
FL 314 Canned crab industry in Japan.
FL 359 Manufacturers of equipment for the fish processing industries.
FL 374 Freezing and canning king crab.
Sep. 275 Processing canned king and dungeness crabmeat.
Sep. 279 Use of frozen salmon for canning.
Sep. 305 A simple penetrometer for the measurement of texture changes in canned salmon.
Sep. 484 Discoloration in pre-cooked tuna for canning.

Clams

FL 72 Culture of hard clams.
FL 73 Culture of soft clams.
FL 223 Commercial clams of the Pacific Coast.
FL 399 Clam culture in Japan.
Sep. 176 Technological study of ocean quahog fishery.
Sep. 323 Hard clam fishery of the Atlantic Coast.
Sep. 402 Experimental farming of the soft shell clam, Mya arenaria, in Massachusetts, 1949-53.

Cod

FL 45 Brine-cured cod.
FL 367 The codfish industry of northern Portugal.

Conservation

Sep. 412 Regime of the high seas and the conservation of the world's fisheries resources.

Consumption of Fish

FL 287 Per capita consumption of fish only 13.3 pounds.
FL 408 Fish and shellfish preferences of household consumers, 1951. Part II - Regional Summary.
FL 409 Fish and shellfish preferences of household consumers, 1951. Part III - Summary by income groups.
FL 410 Fish and shellfish preferences of household consumers, 1951. Part IV - Summary by Farm and NonFarm, Rural and City-size groups.
FL 424 Household consumer preferences for breaded shrimp and breaded fish sticks. Part I - National and Regional Summary.
FL 425 Household consumer preferences for breaded shrimp and breaded fish sticks. Part II - Summary by Farm and NonFarm, Rural and City-size groups.
FL 426 Household consumer preferences for breaded shrimp and breaded fish sticks. Part III - Summary by Income groups, Household size, Homemaker Age groups and Occupation.
Sep. 336 Seafood products in armed forces rations.
Sep. 339 Use of fish in New England schools increased by demonstrations.

Cookery

FL 19 Cooking carp.
FL 30 Preparation of three fishees of the Pacific Coast - shark, shad and lingcod.
FL 35 Fish cookery in the open.
FL 48 Striped mullet and their preparation for the table.
FL 53 Sauces for seafood.
FL 69 Markets and recipes for fresh-water turtles.
FL 106 Basic recipes for cooking fish.
FL 202 Pacific salmon.
FL 247 Fish for breakfast and why not?
FL 269 Cod -- the beef of the sea.
FL 275 Fish and shellfish canapes and hors d'oeuvres.
FL 320 Rosefish cookery - A demonstration manual.
FL 377 Cosmopolitan fish cookery for the Philippines.
FL 404 Tilefish recipes.
FL 416 Little tuna recipes.
FL 446 Pacific Coast shrimp recipes.
Sep. 308 King crab recipes.
Sep. 391 Preparation of a smoked salmon caviar spread.
Sep. 420 How to cook frozen fish without prethawing. Part I - Determination of optimum internal temperature for baked frozen halibut steaks.
Sep. 481 How to cook frozen fish without prethawing. Part II - The effect of oven temperature on cooking time for frozen halibut steaks.

Cooperatives

FL 277 Organizing and incorporating fishery cooperative marketing associations.

Crabs

FL 185 Keeping quality of East Coast crabmeat in fibreboard containers and tin cans.
FL 262 Crab pot construction (Chesapeake Bay type).
FL 276 The "bob" method of picking blue crabs.
FL 314 Canned crab industry in Japan.
FL 340 Contribution to the biology of the king crab.
FL 358 The Chesapeake Bay crab industry.
FL 374 Freezing and canning king crab.
FL 415 Pasteurization of crabmeat.
FL 439 The dungeness crab industry.
Sep. 275 Processing canned king and dungeness crabmeat.
Sep. 386 The 1953 Japanese king crab factoryship expedition.
Sep. 394 Keeping quality of chilled dungeness crabmeat in hermetically-sealed metal containers.
Sep. 491 Meat content of Pavlop Bay king crabs.
Sep. 512 The blue crab and its fishery in Chesapeake Bay.

Crayfish or Crawfish

FL 401 Crawfish control methods.

Culture

FL 6 Some publications on fish culture.
FL 17 Construction of farm ponds.
FL 27 Farm fish ponds and their management.
FL 41 List of state-owned fish hatcheries and rearing stations.
FL 65 Outlet gate for farm fish ponds.
FL 72 Culture of hard clams.
FL 73 Culture of soft clams.
FL 97 Fish culture as a livelihood.
FL 145 Pearl culture.
FL 147 List of Federal fish cultural stations.
FL 216 Diamond-back terrapin culture.
FL 217 Aquatic plant control with 2, 4-D.
FL 223 Commercial clams of the Pacific Coast of the U. S.
FL 331 Culture of daphnia.

FL 399 Clam culture in Japan.
FL 423 Trout feeds and feeding.
FL 448 Some publications on fish culture and related subjects.
Sep. 402 Experimental farming of the soft shell clam, Mya arenaria, in Massachusetts, 1949-53.

Curing

FL 18 Home preservation of fishery products - Salting, smoking and other methods of curing fish at home.
FL 26 Salting river herring (alewives) in Chesapeake Bay.

Curing (cont'd)
FL 51 Brine salted mullet has unrealized possibilities.
FL 60 Mild curing, pickling, dry salting and smoking salmon.
FL 122 Smoking lake herring, whitefish, lake trout and carp.
FL 196 Smoked herring.
FL 204 A cardboard smokehouse.
FL 270 Electrostatic smoking of fish.
FL 312 Smoking shrimp.

DDT
FL 146 Preliminary report on use of DDT as an insecticide in the fishery industry.

Decomposition
FL 89 Spoilage in canned fishery products.
Sep. 466 Chemical compounds formed during the spoilage of fish.
Sep. 517 Chemical and enzymatic hydrolysis of fish scales.

Dehydration
FL 120 Dehydration of fishery products.
Sep. 440 Technical note #3 - Reduction of dehydration in frozen fish-fillet blocks.

Diseases and Parasites
FL 112 Mortality of fish in fresh-water ponds and lakes.
FL 201 Studies of the fecal streptococci.
FL 222 Disease control in hatchery fish.
FL 434 Facts about red tide.
FL 453 Infectious pancreatic necrosis of salmonid fishes.
FL 454 Virus disease of fish
FL 455 Blue-sac disease of fish.
FL 456 White-spot disease of fish eggs and fry.
FL 457 Soft-egg disease of fish.
FL 458 Lymphocystis disease of fish.
FL 459 Fresh water fish diseases caused by bacteria belonging to the genera aeromonas and pseudomonas.
FL 460 Fungus or saprolegnia infestation of incubating fish eggs.
FL 461 Columnaris disease of fishes.
FL 462 Fin rot and peduncle disease of salmonid fishes.
FL 463 Nutritional dietary gill disease.
FL 464 Bacterial gill disease of fresh-water fishes.
FL 465 Kidney disease of salmonid fishes.
FL 466 Ulcer disease in trout.
FL 467 Fish furunculosis.

Drum
FL 134 The black drum.

Echo Sounders
Sep. 159 The location of sardine schools by super-sonic echo-ranging.

Exploratory Fishing
FL 330 Experimental fishing trip to the Bering Sea.
FL 342 Report of Alaska exploratory fishing expedition, fall of 1948, to the northern Bering Sea.
FL 351 Tuna trolling in the Line Islands.
FL 369 Exploratory fishing expedition to the northern Bering Sea in June and July, 1949.
FL 385 The exploratory fishing vessel John N. Cobb.
FL 402 North Pacific albacore tuna exploration.
FL 406 Exploratory shrimp fishing in the Gulf of Mexico, 1950-51.
FL 414 S. S. Pacific Explorer factoryship.
Sep. 200 The Albatross III.
Sep. 225 Fishery exploration in the western Pacific.
Sep. 255 Observations on the commercial fishing potentialities in the offshore waters of North Carolina.
Sep. 270 Preliminary fisheries survey of the Hawaiian-Line Islands. Part II - Notes on the tuna and bait resources of the Hawaiian, Leeward, and Line Islands.
Sep. 271 Preliminary fisheries survey of the Hawaiian-Line Islands. Part III - The live-bait skipjack fishery of the Hawaiian Islands.
Sep. 278 The John N. Cobb's shellfish explorations in certain southeastern Alaskan waters, spring and fall of 1950.
Sep. 280 Preliminary report on 1950 North Pacific albacore tuna explorations of the John N. Cobb.

Exploratory Fishing (cont'd)

Sep. 309 Report on 1951 exploratory blue-fin tuna fishing in the Gulf of Maine.
Sep. 311 The John N. Cobb's shellfish explorations in certain southeastern Alaskan waters, spring 1951.
Sep. 326 Japanese mothership type tuna fishing operations in the western equatorial Pacific, June-October, 1951.
Sep. 338 Japanese 1952 north Pacific salmon fishing expedition.
Sep. 341 Experiments with a "fish pump."
Sep. 343 Shellfish explorations in certain southeastern Alaskan waters by the John N. Cobb, spring 1952.
Sep. 347 Experimental tuna purse seine in the central Pacific.
Sep. 351 Construction details of tuna long-line gear used by POFI.
Sep. 356 Trap lift net for catching tuna bait fishes.
Sep. 357 North Pacific albacore tuna exploration, 1952.
Sep. 358 Tuna fishing at Tahiti.
Sep. 361 Southeastern Alaska exploratory herring fishing operations, winter, 1952-53.
Sep. 371 Offshore salmon explorations adjacent to the Aleutian Islands, June-July, 1953.
Sep. 373 Freezing Gulf of Mexico shrimp at sea.
Sep. 376 Analysis of the Hawaiian long-line fishery, 1948-52.
Sep. 380 Exploratory shrimp fishing in the Gulf of Mexico, summary report for 1952-54.
Sep. 385 Japanese high-seas mothership type drift gill net salmon fishery, 1954.
Sep. 386 The 1953 Japanese king crab factoryship expedition.
Sep. 392 Use of an electrical attracting and guiding device in experiments with a "fish pump."
Sep. 397 Use of underwater television in fishing-gear research - Preliminary report.
Sep. 398 Bottom fish and shellfish explorations in the Prince William Sound area, Alaska, 1954.
Sep. 403 Gulf of Maine bluefin tuna exploration, 1954.
Sep. 416 Preliminary report on exploratory long-line fishing for tuna in the Gulf of Mexico and the Caribbean Sea.
Sep. 422 Construction details of improved tuna long-line gear used by POFI.
Sep. 442 Exploratory fishing vessel George M. Bowers.
Sep. 460 Preliminary results of deep water exploration for shrimp in the Gulf of Mexico by the M/V Oregon, 1950-56.
Sep. 472 Bottom trawling exploration in the Strait of Juan de Fuca - February to March, 1956.
Sep. 474 An experimental air-pressure depth-meter for use with midwater trawls.
Sep. 479 North Pacific albacore tuna exploration by the M/V John N. Cobb, 1956.
Sep. 485 Maine herring explorations and fishing gear experiments.
Sep. 502 Correlation of midwater trawl catches with echo recordings in the northeastern Pacific.

Farm Ponds

FL 17 Construction of farm ponds.
FL 27 Farm fish ponds and their management.
FL 65 Outlet gate for farm fish ponds.
FL 311 Textbook of pond culture.
FL 344 Control of aquatic plants in ponds and lakes.

Fisheries

FL 168 Commercial fishery laws and regulations.
FL 393 Preliminary review of the fisheries of the U. S. and Alaska, 1957.
Sep. 222 U. S. policy with regard to high-seas fisheries.
Sep. 225 Fishery exploration in the western Pacific, January to June, 1948, by vessels of the Pacific Exploration Company.
Sep. 255 Observations of the commercial fishing potentialities in the offshore waters of North Carolina, January-February, 1950.
Sep. 286 The trash fishery of southern New England in 1950.
Sep. 369 Relative productivity and value of the fisheries of the U. S. and Alaska, 1951.
Sep. 415 Fishery technological research program.
Sep. 418 Technological research on the fresh-water fisheries of the U. S.
Sep. 428 Fish and Wildlife Service aids in fishing industry in promoting fishery products in Columbus, Ohio.
Sep. 450 Georges Bank Haddock Fishery - Changes in scrod abundance in recent years.
Sep. 475 Pacific Coast fishing ports.
Sep. 494 A review of the soupfin shark fishery of the Pacific Coast.
Sep. 500 Pacific Coast fishing ports.
Sep. 507 A Japanese high-seas salmon fishery in the north Pacific since 1952.
Sep. 509 New England's industrial fishery.
Sep. 511 Damariscotta (Maine) alewife fishery.
Sep. 519 Gloucester's trawl fishery for industrial fish.

Fish Sticks

Sep. 449 "Tentative" method for determining coating content of frozen fried fish sticks.
Sep. 467 Technical note #36 - Determining fish content of frozen fried fish sticks.

Fish Sticks (cont'd)

Sep. 468 Some factors affecting "sawdust" losses during the cutting of fish sticks.
Sep. 484 Inspection aid for voluntary U. S. standards for frozen fried fish sticks released.

Food Value and Composition

FL 36 Food value of fish and shellfish.
FL 90 Nutritive value of canned fishery products.
FL 116 Composition of fish.
FL 295 Chemical composition of some canned fishery products.
FL 296 A method for evaluation of the nutritive value of a protein.
Sep. 171 Nutritive value of baked croaker.
Sep. 178 Nutritive value for growth of some fish proteins.
Sep. 310 Proximate composition of the classified trimmings from pink salmon.
Sep. 346 Technical note #25 - Amino-acid content of salmon roe.
Sep. 354 Technical note #27 - Alaska pollock: Proximate composition; amino-acid; thiamine and riboflavin content; use as mink feed.
Sep. 393 Vitamin content of fishery products.
Sep. 394 Metabolism trial to determine comparative nutritive value of fish and meat.
Sep. 396 Technical note #31 - Weight range, proximate composition and thiaminase content of fish taken in shallow water trawling in northern Gulf of Mexico.
Sep. 411 Chemical changes in fish protein during freezing and storage.
Sep. 440 Alaska shrimp waste has possibilities as hatchery food.
Sep. 463 Variation in proximate composition of right and left fillets of rockfish and dover sole; fish composition studies; antibiotics for fishery products preservation.
Sep. 471 Fish hatchery food from anchovies caught near Santa Barbara, California.
Sep. 489 An investigation of the chemistry of texture changes of frozen bluecrab meat.
Sep. 491 Meat content of Pavlop Bay king crabs.
Sep. 497 Sodium and potassium in the edible portions of 34 species of fish.
Sep. 515 Nutritional value of fish in reference to otherosclerosis and current dietary research.
Sep. 518 Amino acid composition of the protein and inorganic constituents of the ash of pollock fish scales.

Foreign Fisheries

Africa:

FL 305 Guano Islands, Union of South Africa.
FL 347 Growth of South African fisheries.
FL 440 Marine fishery development in Liberia, 1952-54.

Arabia:

FL 328 Fishing industry of the Gulf of Aden.

Canada:

FL 253 Manitoba's fresh-water fishing industry.
FL 356 Fisheries of New Brunswick.
Sep. 488 Canada - Lobster and oyster culture at Prince Rupert, B. C.

Caribbean Area:

FL 135 Guide to commercial shark fishing in the Caribbean area.
FL 228 Fisheries in St. Lucia (British West Indies).
FL 250 The Cuban shark industry.
FL 259 Fishery resources of the Caribbean area.
FL 308 Cuban fishing industry.
Sep. 337 A report on the Cuban tuna fishery.
Sep. 416 Preliminary report on long-line fishing for tuna in the Gulf of Mexico and Caribbean Sea.

Egypt:

FL 363 Egyptian fisheries.

Germany:

FL 206 Certain aspects of the German fishing industry. Report I - Fish processing machinery.
FL 207 Certain aspects of the German fishing industry. Report II - Quick freezing and cold storage of fish.
FL 208 Certain aspects of the German fishing industry. Report III - Smoke curing of fish.
FL 209 Certain aspects of the German fishing industry. Report IV - The preservation of fish by canning and related processes.
FL 211 Certain aspects of the German fishing industry. Report VI - Institute for the utilization of fish of the Federal Fisheries Agency.
FL 348 German commercial electrical fishing device.

Foreign Fisheries (cont'd)

Iceland:
Sep. 250 Organization and scope of Iceland's fish inspection service.

Iran:
FL 304 Fish of the Persian and Oman Gulf.

Japan:
FL 157 Japanese fishing industry.
FL 229 Operation fisheries in Japan.
FL 244 Conversion of selected Japanese weights and measures.
FL 248 Japanese whaling in the Bonin Island area.
FL 249 Natural resources of Japan.
FL 273 Fisheries of former Japanese mandated islands.
FL 279 Japanese fisheries production, 1908-1946.
FL 288 The Japanese fishing industry.
FL 297 The Japanese tuna fisheries.
FL 314 Canned crab industry in Japan.
FL 317 Japanese long-line fishery for tuna.
FL 333 Aquatic resources of the Ryukyu area.
FL 357 Pearl culture in Japan.
FL 371 Japanese whaling industry prior to 1946.

FL 389 Japanese offshore trawling.
FL 399 Clam culture in Japan.
Sep. 338 Japanese 1952 north Pacific salmon fishing expedition.
Sep. 349 Salmon tagging by the 1952 Japanese north Pacific fishing expedition.
Sep. 381 Observation of Japanese high-seas salmon gill net fishery off Hokkaido.
Sep. 385 Japanese high-seas mothership type drift gill net salmon fishery, 1954.
Sep. 386 The 1953 Japanese king crab factoryship expedition.
Sep. 390 Japanese fish netting industry.
Sep. 507 A Japanese high-seas salmon fishery in the north Pacific since 1952.

Mexico:
FL 283 Mexican fishery law of December 31, 1947.
FL 339 The Mexican fisheries industry.
Sep. 416 Preliminary report on exploratory long-line fishing for tuna in the Gulf of Mexico and the Caribbean Sea.

Micronesia:
FL 239 Fishery resources of Micronesia.

Newfoundland:
FL 256 Outlook for Newfoundland fisheries, 1947.

Norway:
Sep. 355 Report on the Norwegian frozen fish fillet industry.

Philippines:
FL 354 Reef fishing.
FL 377 Cosmopolitan fish cookery for the Philippines.

Portugal:
FL 367 The codfish industry in northern Portugal.

Red Sea:
FL 310 Production of edible fish in the Red Sea.

Samoa:
Sep. 382 Tuna fishing at American Samoa, January-April, 1954.

South America:
FL 75 The Peruvian fisheries.
FL 227 Fishing industry of Ecuador.
FL 266 Fisheries of Uruguay.
FL 267 Sao Paulo fishing industry. (Brazil).
FL 349 Fishing and fisheries. (Brazil).
Sep. 227 The U. S. fishery mission to Venezuela.

Spain:
FL 271 Spanish fishing industry, 1946.
FL 272 Volume and value of catch of fish and shellfish at Malaga, 1946.

Foreign Fisheries (cont'd)

Sweden:
FL 327 The fishing industry and the market for fish in Sweden.

Turkey:
FL 238 The sponge industry in Turkey.
FL 390 Fishery resources of Turkey.

Foreign Trade
FL 417 U. S. import classification and duties of fishery and wildlife commodities.
FL 421 U. S. foreign trade in edible fishery products.

Frogs
FL 436 Commercial possibilities and limitations in frog raising.

Gear
FL 64 Construction and operation of lobster fishing gear.
FL 125 How to make and mend fish nets.
FL 195 Partial list of manufacturers of fishing gear and accessories
FL 241 Methods of net mending, New England.
FL 245 Balloon trawl construction, Long Island type.
FL 262 Crab pot construction, Chesapeake Bay type.
FL 317 Japanese long-line fishery for tuna.
FL 343 Floating trawls.
FL 348 German commercial electrical fishing device.
FL 354 Reef fishing.
FL 373 Atlantic Coast mackerel purse seine.
FL 379 New England sink gill net.
FL 386 Pacific salmon drift gill netting.
FL 387 Commercial salmon trolling.
FL 389 Japanese offshore trolling.
FL 394 Gulf of Mexico shrimp trawl designs.
FL 437 Assembly methods for otter trawl nets.
FL 442 Sea scallop boats and gear.
FL 445 Operation of north Atlantic type otter trawl gear.
Sep. 316 Increasing the spread of shrimp trawls.
Sep. 334 A minimum net-mesh size for the New England haddock fishery.
Sep. 341 Experiments with a "fish pump."
Sep. 356 Trap lift net for catching tuna bait fishes.
Sep. 363 Fishing vessel live-bait equipment.
Sep. 365 Drum-seining - A new development in the Puget Sound salmon fishery.
Sep. 376 Analysis of the Hawaiian long-line fishery, 1948-52.
Sep. 383 Recent developments in fishing vessel deck gear.
Sep. 392 Use of an electrical attracting and guiding device in experiments with a "fish pump."
Sep. 397 Use of underwater television in fishing gear research.
Sep. 400 The pound net fishery in Virginia.
Sep. 422 Construction details of improved tuna long-line gear used by POFI.
Sep. 434 Condition of the middle Atlantic pound net fishery.
Sep. 452 New diving sled.

Haddock
FL 198 Haddock.
Sep. 217 Current haddock situation on Georges Bank.
Sep. 285 1950 - An unusual haddock year on Georges Bank.
Sep. 319 Georges Bank haddock fishery, 1951.
Sep. 321 Experiments on the escape of undersized haddock through otter trawls.
Sep. 334 A minimum net mesh size for the New England haddock fishery.
Sep. 388 A comparative study of fish meals made from haddock offal.
Sep. 417 Brine dipping of haddock fillets.
Sep. 450 Georges Bank haddock fishery - Changes in scrod abundance in recent years.
Sep. 513 Technical note #44 - Industry tests show brine frozen haddock to be of good quality.

Herring
FL 26 Salting river herring Ialewives) in Chesapeake Bay.
FL 38 Brine-salted herring.
Sep. 361 Southeastern Alaska exploratory herring fishing operations, winter, 1952-53.

Insurance
FL 149 Unemployment insurance: Chesapeake Bay States: Maryland and Virginia.

Insurance (cont'd)

FL 150 Unemployment insurance: Middle Atlantic States: New York, New Jersey, Delaware and Pennsylvania.

FL 151 Unemployment insurance: New England States: Maine, New Hampshire, Rhode Island and Connecticut.

FL 152 Unemployment insurance: South Atlantic States: North Carolina, South Carolina, Georgia and Florida.

FL 153 Unemployment insurance: Pacific Coast States: Washington, Oregon and California.

FL 154 Unemployment insurance: Gulf States: Alabama, Mississippi, Louisiana and Texas.

FL 171 Unemployment insurance: Great Lakes States: Minnesota, Wisconsin, Illinois and Michigan.'

Sep. 155 Extension of unemployment insurance to certain fishing services.

Sep. 291 Social security for self-employed persons in fishery industries.

Sep. 436 Insurance of fishing vessels; some current problems.

Jellyfish

FL 68 Sea nettles or jellyfish.

Kosher Fishes

FL 418 Food fishes with fins and scales.

Ladder or Fishway

FL 92 Fishway for small streams.

Lamprey

FL 360 Sea lampreys of the Atlantic Coast and Great Lakes.

Laws

FL 168 Commercial fishery laws and regulations.

FL 172 Compliance with Federal Food, Drug and Cosmetic Act in marketing fishery products.

FL 403 Fishing laws for the District of Columbia.

FL 468 Excise tax exemptions granted to fishermen.

Sep. 222 U. S. policy with regard to high seas fisheries.

Sep. 314 Technical note #20 - Federal specifications for fishery products.

Sep. 379 The development of Federal specifications.

Sep. 404 Development of voluntary Federal standards of grade for fresh and frozen fishery products.

Sep. 411 Federal specifications for fishery products.

Sep. 412 Regime of the high seas and the conservation of the world's fisheries resources.

Sep. 433 Interim Federal specifications for canned crabmeat.

Sep. 440 Interim Federal specifications for canned sardines.

Sep. 446 Fishery tariff concessions in 1956 Geneva negotiations.

Sep. 449 Federal specifications for chilled and frozen crabmeat.

Sep. 453 Breaded shrimp interim Federal specification.

Sep. 470 Revised Federal specifications for breaded shrimp proposed.

Sep. 484 Revised and new Federal Specifications planned for 5 fishery items.

Sep. 492 Plan for development of Federal specifications for fishery products.

Sep. 501 Federal specifications for fishery food products and the responsibility of the U. S. Bureau of Commercial Fisheries.

Lists

FL 41 List of State-owned fish hatcheries and rearing stations.

FL 147 List of Federal fish cultural stations.

FL 160 Partial list of trade journals and newspapers concerning fishery products.

FL 178 Partial list of fishing boat builders.

FL 195 Partial list of manufacturers of fishing gear and accessories.

FL 254 Fishery associations in the U. S. and Alaska.

FL 292 Fishery cooperative associations in the U. S. and Alaska.

FL 293 Fishermen's and fish shoreworker's unions in the U. S., Alaska and Hawaii.

FL 359 Manufacturers of equipment for the fish processing industries.

FL 449 Organizations and officials concerned with the commercial fisheries, 1958.

Lobsters

FL 64 Construction and operation of lobster fishing gear.

Sep.229 Spiny lobster, identification, world distribution and U. S. trade.

Sep. 268 Results of some tests with frozen lobsters and lobster meat.

Sep. 293 U. S. lobster and spiny lobster production (1921-49) and imports (1920-49).

Sep. 488 Lobster and oyster culture at Prince Rupert, B. C.

Mackerel

FL 373 Atlantic Coast mackerel purse seine.

Marine Borers
FL 3 Shipworms and other marine borers.

Marketing
FL 115 Handling fresh fish.
FL 172 Compliance with Federal Food, Drug and Cosmetic Act in the marketing of fishery products.
FL 277 Organizing and incorporating fishery cooperative marketing associations.
FL 336 Quarterly outlook for marketing fishery products.
FL 365 Sales patterns for fresh and frozen fish and shellfish, 1936 to 1946.
Sep. 431 Florida fish marketing study - Progress report.
Sep. 454 Development of markets for underutilized Lake Erie fish - Progress report.

Meal
FL 126 Fish reduction processes.
FL 359 Manufacturers of equipment for the fish processing industries.
FL 370 Utilization of fishery byproducts in Washington and Oregon.
Sep. 142 Feeding fish meal to ducklings.
Sep. 147 Feeding fish meal to pullets.
Sep. 265 A chemical evaluation of tuna-liver and beef-liver meals prepared by different methods.
Sep. 269 Feeding value of fish meals.
Sep. 276 Paper bags for fish meal.
Sep. 299 Suggested code for fish meal.
Sep. 366 Vitamin content of fishery byproducts.
Sep. 378 Technical note #30 - Proposed method for estimating amount of solubles added to whole fish meal.
Sep. 388 A comparative study of fish meals made from haddock offal.
Sep. 401 Determination of oil in fish meal.
Sep. 443 Effect of raw material on tuna-meal quality.
Sep. 453 Experimental fish-meal dryer; experimental bulk ocean shipments of Alaska herring meal; processing studies on menhaden meal; antioxidants in fish-meals; converting fish scales into animal food.
Sep. 462 Pilot-plant fish-meal dryer.
Sep. 477 Bulk handling of Alaska herring meal.
Sep. 478 Progress on fish-meal nutritive value studies.
Sep. 495 Research developing ways to assure boneless fish products.
Sep. 496 Utilization of fish waste in northern Oregon for mink feed.
Sep. 504 Potential byproducts from Alaska fisheries: Utilization of salmon eggs and salmon waste.
Sep. 516 Technical note #45 - Preparation of dried fish solubles from concentrated press liquors on a laboratory scale.

Menhaden
FL 412 The menhaden industry.
Sep. 296 Chemistry of menhaden.
Sep. 453 Processing studies on menhaden meal.

Mink Feed
FL 405 Salmon cannery waste for mink feed.
Sep. 354 Technical note #27 - Alaska pollock: Proximate composition; amino-acid; thiamine and and riboflavin content; use as mink feed.
Sep. 496 Utilization of fish waste in northern Oregon for mink feed.

Mortality
FL 112 Mortality of fishes in fresh-water ponds and lakes.

Mullet
Sep. 431 Florida fish marketing study - Progress report.

Muskellunge
FL 166 The pikes.

Oils
FL 126 Fish reduction processes.
FL 138 Time and labor saving techniques in vitamin A and oil analysis.
FL 141 Drill sampling devices for fish livers (construction details).
FL 212 A rapid test for vitamin A stability.
FL 226 How oil and vitamin A are determined in fish livers.
FL 233 Fish liver oil industry.
FL 237 Calculation of vitamin A potency in fish livers.
FL 242 A rapid method of determining the vitamin A potency of fish livers.
FL 289 Preliminary report on sampling of fish livers.
FL 290 Distribution of oil and vitamin A in fish livers.

Oils (cont'd)

FL 359 Manufacturers of equipment for the fish processing industries.
Sep. 184 Relationship between body length of grayfish and vitamin A in liver.
Sep. 224 Studies on methods of extracting vitamin A and oil from fishery products.
Sep. 228 Vitamin A in liver of the Alaska fur-seal.
Sep. 248 Vitamin A in 155 grayfish livers.
Sep. 254 Studies on methods of extracting vitamin A and oil from fishery products.
Sep. 267 Vitamin A potencies of liver oils of Bering Sea cod and flounder.
Sep. 366 Vitamin content of fishery products.
Sep. 393 Vitamin content of fishery products.
Sep. 401 Determination of oil in fish meal.
Sep. 413 Early experiences with fish oils - A retrospect.
Sep. 423 Oil research projects at the Seattle Technological Laboratory.
Sep. 433 Fish oils in sprays for citrus trees.
Sep. 437 Use of fish oils for ore flotation; cod liver oil concentrate has unique use.
Sep. 440 Fish oils in sprays in citrus trees.
Sep. 444 New products from fish oils.
Sep. 448 New products from fish oils.
Sep. 449 Prospects of utilizing lithium salts of fatty acids from fish oils in lubricating greases.
Sep. 457 Fungicidal properties of modified unsaturated fish oils.
Sep. 478 Use of bacterial culture to aid separation of menhaden oil in gravity tanks.
Sep. 483 Laboratory method of obtaining unsaturated fatty alcohols from fish oils.
Sep. 495 Utilizing the unique properties of fish oils.
Sep. 499 Progress on studies in utilization of fish-oil derivatives in ore flotation.
Sep. 508 Fish-oil research at the Seattle Fishery Technological Laboratory; effect of season, fishing area, and processing techniques on physical constants of fish body oils.
Sep. 513 Progress in fish-oil research; report on development of fungicides from fish oil.

Oysters

FL 50 Preparation of fresh eastern oysters for market.
FL 52 Planting and marketing oysters, Pacific Northwest.
FL 187 The oyster and the oyster industry in the U. S.

Sep. 160 Bacteriological studies of oyster conditioning.
Sep. 214 Management of the oyster resources.
Sep. 215 Sanitary control practices for the oyster industry.
Sep. 216 Mechanization of oyster cultivation. Part I - Recent development in oyster dredges.
Sep. 235 Japanese methods of oyster culture.
Sep. 287 Effect of ascorbic acid on keeping quality of frozen oysters.
Sep. 290 Results of some tests with frozen oysters.
Sep. 295 A study of pH of strictly fresh commercially shucked eastern oysters.
Sep. 352 Oyster growth as affected by latitudinal temperature gradients.
Sep. 396 Determination of cook drip in Pacific Ocean perch and Pacific oysters by use of a new method.
Sep. 399 Oyster processing research for Atlantic and Gulf Coasts.
Sep. 423 Cold storage of frozen Pacific oysters.
Sep. 426 Some factors affecting fluid loss in southern oysters.
Sep. 433 Mid-winter status of southern oyster research.
Sep. 441 Composition of southern oysters.
Sep. 443 Progress in research in southern oysters.
Sep. 445 Brown-spotting in the southern oysters.
Sep. 451 Bleeding and heat death in the southern oyster.
Sep. 455 Correlation of pH and quality of shucked southern oyster.
Sep. 459 Technical note #34 - Growth characteristics of the pink yeast that caused discoloration of oysters.
Sep. 486 Body fluid losses of northern and southern oysters.
Sep. 488 Canada - Lobster and oyster culture at Prince Rupert, B. C.
Sep. 492 Structure and function of the kidney in the oyster.
Sep. 493 Effects of temperature upon the storage life of fresh shucked Pacific oysters.
Sep. 506 Oysters: New method for control of enemies with common salt.

Pearl

FL 145 Pearl culture.
FL 357 Pearl culture in Japan.

Pictures, Motion

FL 452 Fishery motion pictures.

Plant, Aquatic Control

FL 217 Aquatic plant control with 2, 4-D.
FL 344 Control of aquatic plants in ponds and lakes.

Poisoning
FL 124 Dermatitis in the fish industry.
FL 350 The use of rotenone as fish poison.

Pollution and Sanitation
FL 146 Preliminary report on the use of DDT as an insecticide in the fishery industries.
FL 174 Stream pollution hazards of woodpulp mill effluents.
FL 201 Studies of the fecal streptococci.
Sep. 187 Bacterial population of brining tanks in fish filleting plants.
Sep. 215 Sanitary control practices for the oyster industry.

Preservation
FL 185 Keeping quality of East Coast crabmeat in fiberboard containers and in tin cans.
Sep. 482 Nuclear radiations for preservation of fish.

Quality
FL 94 Judging the quality and freshness of fish by organoleptic methods.
FL 274 Evaluation of surface pH as a freshness index for fillets.
Sep. 295 A study of Ph of strictly fresh commercially shucked eastern oysters.
Sep. 300 Acceptability and keeping quality of Pacific Ocean perch fillets.
Sep. 302 Conducting organoleptic tests in the laboratory.
Sep. 384 Cooperative fish-product-acceptability project with Quartermaster Food and Container Institute.
Sep. 419 Bone detection in fish by X-ray examination.
Sep. 470 Use of X-ray fluoroscopy for fish bone detection show promise.
Sep. 482 Quality standards.
Sep. 490 Bone detection in fish by X-ray examination.
Sep. 499 Development of objective tests for quality of fresh, frozen and processed fish.
Sep. 503 Pacific Coast program on the irradiation preservation of fish - Phase report.
Sep. 513 Technical note #44 - Industry tests show brine-frozen haddock to be of good quality.

Rains of Fishes
FL 130 Rains of fishes, toads and frogs.

Rays
FL 123 Sharks, skates and rays.

Red Snapper
Sep. 195 Experimental fishing for red snapper. Part I - Use of hoop nets. Part II - Use of mechanical reels.

Red Tide
FL 434 Facts about red tide.

Refrigeration
FL 115 Handling fresh fish.
FL 128 Refrigerated locker storage of fish for home use.
FL 181 Fish can be stored in refrigerated lockers with other food.
FL 189 Icing fish at sea.
FL 213 Wrapping materials for frozen fish.
FL 214 Fish refrigeration.
FL 265 Bibliography of the preservation of fishery products by freezing.
FL 278 Freezing fish at sea.
FL 321 An improved method of glazing fish for locker storage.
FL 332 Recording color changes in frozen pink salmon.
FL 359 Manufacturers of equipment for the fish processing industries.
FL 374 Freezing and canning king crab.
FL 427 Refrigeration of fish. Part I - Cold storage design and refrigeration equipment.
FL 428 Refrigeration of fish. Part II - Handling fresh fish.
FL 429 Refrigeration of fish. Part III - Factors to be considered in the freezing and cold storage of fishery products.
FL 430 Refrigeration of fish. Part IV - Preparation, freezing and cold storage of fish, shellfish and pre-cooked fishery products.
FL 431 Refrigeration of fish. Part V - Distribution and marketing of frozen fishery products.
Sep. 165 Shallower storage pens improve fish quality.
Sep. 189 Notes on freezing shrimp.
Sep. 192 Suggestions for handling trawler-caught fish.
Sep. 233 Storage life of whole and split rockfish fillets.
Sep. 268 Results of some tests with frozen lobster meat.
Sep. 272 Effect of fluctuating storage temperatures on quality of frozen fish fillets.
Sep. 274 Control of fish spoilage by icing and freezing.
Sep. 287 Effect of ascorbic acid on keeping quality of frozen oysters.

Refrigeration (cont'd)

Sep. 306 Freezing fish at sea - New England. Part I - Preliminary experiments.
Sep. 317 Equipment and procedure for thawing fish frozen at sea.
Sep. 318 Fish frozen in brine at sea: Preliminary laboratory and taste-panel tests.
Sep. 324 Freezing fish at sea, defrosting, filleting and refreezing the fillets.
Sep. 328 Freezing fish at sea - New England. Part V - Freezing and thawing and suggestions for commercial equipment.
Sep. 329 Freezing and cold storage of Pacific Northwest fish and shellfish - Part I - Storage life of various rockfish fillets.
Sep. 342 A portable immersion freezer.
Sep. 345 Freezing fish at sea - New England. Part VI - Changes and additions to experimental equipment on the trawler Delaware.
Sep. 350 Technical note #26 - Glazing brine-frozen salmon.
Sep. 355 Report on the Norwegian frozen fish fillet industry.
Sep. 362 Freezing fish at sea - New England. Part VII - Pictorial story of operations at sea and ashore.
Sep. 372 Freezing and cold storage of Pacific Northwest fish and shellfish. Part III - Storage characteristics of six species of oily fish.
Sep. 373 Freezing Gulf of Mexico shrimp at sea.
Sep. 375 Freezing fish at sea - New England. Part VIII - Some factors affecting the salt content of haddock during brine-freezing and water-thawing.
Sep. 377 Cold storage life of fresh-water fish.
Sep. 387 Chemical changes in fish protein during freezing and storage.
Sep. 389 Outlines of a long-range frozen fish program for the armed forces.
Sep. 405 Freezing fish at sea - New England. Part IX - Improvements in the brine-freezing mechanism on the trawler Delaware.
Sep. 406 Freezing fish at sea - New England. Part X - Studies of miscellaneous handling problems.
Sep. 407 Packaging frozen fish in tin results in superior storage life.
Sep. 408 Technical note #32 - Freezing rates and energy requirements for freezing packaged fish fillets and fish sticks in a multi-plate compression freezer.
Sep. 414 Freezing and cold storage of Pacific Northwest fish and shellfish. Part V - Palatability and cold storage life of blacktip rockfish and flag rockfish.
Sep. 423 Cold storage of frozen Pacific oysters.
Sep. 432 Michigan locker-plant survey.
Sep. 437 Jacketed-principle cold storage room; frozen breaded shrimp Federal specification.
Sep. 443 Storage tests on frozen fried fish sticks prepared from Pacific cod; new techniques for freezing and storing north Atlantic lobsters.
Sep. 456 Cold storage life of fresh-water fish.
Sep. 457 Cold storage studies on Gulf of Mexico yellow-fin tuna.
Sep. 459 North Atlantic shrimp keeping quality in cold storage.
Sep. 470 Cold storage life of frozen fish improved by better handling practices.
Sep. 480 Cold storage of frozen Pacific oysters. Effect of antioxidant and other treatments on keeping quality.
Sep. 482 Frozen fishery products storage life extended by glucose-salt brine glaze.
Sep. 484 Frozen fish packaging improvement proposed; experimental mobile de-icing, washing and weighing unit for unloading fish from vessels.
Sep. 487 Comparative study of fresh-water and salt-water ice as preservative for haddock.
Sep. 492 Brine-frozen haddock tests by industry; new vessel fish-icing techniques prove value to New England fisheries; scallop meats frozen in glucose-salt solution aboard vessel.
Sep. 493 Effects of temperature upon the storage life of fresh shucked Pacific oysters.
Sep. 495 Keeping quality and rate of freezing of cooked lobster meat; technical note #41 - Bacterial studies of frozen raw breaded shrimp.
Sep. 498 Comparative keeping quality, cooling rates and storage temperatures of haddock held in fresh-water ice and salt-water ice.
Sep. 499 Technical note #42 - Keeping quality and rate of freezing of cooked deep-sea lobster meat frozen in cans; tests on storage of frozen shrimp show that proper packaging "pays off."
Sep. 503 Technical note #43 - Considerations on the use of refrigerated brine for chilling and storing fresh fish.
Sep. 513 Frozen packaged halibut voluntary standards discussed at meeting; technical note #44 - Industry tests show brine-frozen haddock to be of good quality.
Sep. 514 Freezing and storing deep-sea lobsters - Some tests on cooked whole lobsters.

Research

FL 447 Planning your research paper.
Sep. 415 Fishery technological research program.
Sep. 418 Technological research on the fresh-water fisheries of the U. S.
Sep. 443 Research programs discussed at Pacific Fisheries Technologists Conferences.
Sep. 438 The technological studies on the processing of sea lions.
Sep. 463 Fish composition studies.
Sep. 510 Twenty-five years of research and service by the Seattle Technological Laboratory.

Rockfish

FL 264 Palatability of rockfish fillets.

Salmon

FL 14 Pacific salmon.
FL 87 Salmon eggs for fish baits.
FL 332 Recording color changes in frozen pink salmon.
FL 386 Pacific salmon drift gill netting.
FL 387 Commercial salmon trolling.
FL 405 Salmon cannery waste for mink feed.
Sep. 258 Salmon cannery trimmings. Part I - Relative amounts of separated parts.
Sep. 262 Utilization of salmon eggs for production of cholesterol, lipide and protein.
Sep. 279 Use of frozen salmon for canning.
Sep. 298 Utilization of Alaska salmon cannery waste as a source of feed for hatchery fish.
Sep. 301 A brief study of the alkali process for recovery of oil from pink salmon cannery waste.
Sep. 305 Technical note #16 - A simple penetrometer for the measurement of texture changes in canned salmon.
Sep. 307 Refractive index of free oil in canned salmon.
Sep. 310 Proximate composition of the classified trimmings from pink salmon.
Sep. 320 Potential markets for Alaska salmon cannery waste.
Sep. 338 Japanese 1952 north Pacific salmon fishing expedition.
Sep. 346 Technical note #26 - Amino-acid content of salmon roe.
Sep. 349 Salmon tagging by the 1952 Japanese north Pacific fishing expedition.
Sep. 350 Technical note #26 - Glazing brine-frozen salmon.
Sep. 365 Drum seining - A new development in the Puget Sound salmon fishery.
Sep. 367 Technical note #29 - Effect of salt on the storage life of salmon eggs preserved with sodium bisulfite.
Sep. 371 Offshore samon explorations adjacent to the Aleutian Islands, June-July, 1953.
Sep. 381 Observations of Japanese high-seas salmon gill-net fishery off Hokkaido.
Sep. 385 Japanese high-seas mothership-type drift gill-net salmon fishery, 1954.
Sep. 391 Preparation of a smoked salmon caviar spread.
Sep. 394 Study of pharmaceutical and other industrial products from salmon eggs.
Sep. 409 Reduction of curd in canned salmon prepared from frozen fish.
Sep. 418 Jellied salmon.
Sep. 424 Reduction of curd in canned salmon prepared from frozen fish.
Sep. 507 A Japanese high-seas salmon fishery in the north Pacific since 1952.

Sardines

FL 129 The Pacific sardine industry.
FL 270 The electrostatic smoking of sardines.
Sep. 159 Location of sardine schools by supersonic echo-ranging.
Sep. 370 Loss of sardine fishery may become permanent.

Scallops

Sep. 348 Status of New England sea scallop fishery.

School Lunch Demonstrations

Sep. 339 Use of fish in New England schools increased by demonstrations.
Sep. 435 School lunch fish cookery demonstrations in Oklahoma.

Sea Urchin

FL 231 The sea urchin fishery.

Senses of Fish

FL 132 Structure and senses of fish.

Sharks

FL 123 Sharks, skates and rays.
FL 135 Shark fishing in the Caribbean area (commercial).
FL 250 Cuban shark industry: Cuban government fosters fishing cooperatives.
Sep. 494 A review of the soupfin shark fishery of the Pacific Coast.

Shrimp

FL 337 Keeping live shrimp for bait.
FL 366 Identification of the commercial common shrimp.
FL 394 Gulf of Mexico shrimp trawl designs.
FL 406 Exploratory shrimp fishing in the Gulf of Mexico.
FL 446 Pacific Coast shrimp recipes.
FL 472 The shrimp and the shrimp industry of the southern U. S.
Sep. 189 Notes on freezing shrimp.
Sep. 304 The northern shrimp fishery of Maine.
Sep. 316 Increasing the spread of shrimp trawls.

Shrimp (cont'd)
Sep. 373 Freezing Gulf of Mexico shrimp at sea.
Sep. 380 Exploratory shrimp fishing in the Gulf of Mexico, summary report for 1952-54.
Sep. 447 Development of the Pacific Coast ocean shrimp fishery.
Sep. 460 Preliminary results of deep-water exploration for shrimp in the Gulf of Mexico by the M/V Oregon.

Smelt
Sep. 410 Winter smelt fishing out of Enscanaba, Michigan.

Snails
FL 323 Snails.

Sponges
FL 170 Sponge production and international sponge trade of the U. S.
FL 238 The sponge industry of Turkey.

Sport Fishing
FL 398 Some publications on sport fishing.
FL 444 Some publications on game-fish and sport fishing.

Starfish
FL 169 Controlling the starfish.
FL 391 Technological studies of the starfish.

Statistics
FL 393 Preliminary review of the fisheries of the U. S. and Alaska.
FL 432 Fishery statistical publications of the Fish and Wildlife Service.
Sep. 369 Relative productivity and value of the fisheries of the U. S. and Alaska, 1951.

Note: Current fishery statistical leaflets; landings at certain ports; cold storage holdings of fishery products; daily, monthly and annual summaries of fishery products are available upon request.

Tagging Fish
FL 113 Tagging and marking fish.

Trade Agreements
Sep. 283 Trade agreements and the fishery industries.

Trout
FL 98 Lock leven.
FL 235 The kamloops rainbow trout.
FL 355 The trouts of North America.
FL 423 Trout feeds and feeding.
FL 441 The lake trout.

Tuna
FL 297 Japanese tuna industries.
FL 317 The Japanese long-line fishery for tunas.
FL 351 Tuna trolling in the Line Islands.
FL 353 "Little tuna" of the Atlantic and Gulf Coasts.
FL 402 North Pacific albacore tuna exploration, 1950.
Sep. 225 Fishery exploration in the western Pacific.
Sep. 270 Preliminary fisheries survey of the Hawaiian-Line Islands area, Part II - Notes on the tuna and bait resources of the Hawaiian, Leeward and Line Islands.
Sep. 271 Preliminary fisheries survey of the Hawaiian-Line Islands area, Part III - The live-bait skipjack fishery of the Hawaiian Islands.
Sep. 280 Preliminary report on 1950 north Pacific albacore tuna explorations of the John N. Cobb.
Sep. 284 Japanese tuna mothership operations in the western equatorial Pacific Ocean.
Sep. 309 Report on 1951 exploratory bluefin tuna in the Gulf of Maine.
Sep. 326 Japanese mothership-type tuna fishing operations in the western equatorial Pacific, June-October, 1951.
Sep. 337 A report on the Cuban tuna fishery.
Sep. 347 Experimental tuna purse seining in the central Pacific.
Sep. 351 Construction details of long-line gear used by POFI.
Sep. 353 Gulf of Maine bluefin tuna exploration, 1952.
Sep. 356 Trap lift net for catching tuna bait fishes.
Sep. 357 North Pacific albacore tuna exploration, 1952.
Sep. 358 Tuna fishing at Tahiti.
Sep. 363 Fishing vessel live-bait equipment.

Tuna (cont'd)

Sep. 376 Analysis of the Hawaiian long-line fishery, 1948-52.
Sep. 382 Tuna fishing at American Samoa, January-April, 1954.
Sep. 403 Gulf of Maine bluefin tuna exploration, 1954.
Sep. 416 Preliminary report on exploratory long-line fishing for tuna in the Gulf of Mexico and the Caribbean Sea.
Sep. 418 Iron-sulfide discoloration of tuna cans.
Sep. 422 Construction details of improved tuna long-line gear used by POFI.
Sep. 429 Iron sulfide discoloration of tuna cans.
Sep. 439 Iron sulfide discoloration of tuna cans.
Sep. 461 Iron sulfide discoloration of tuna cans.
Sep. 464 Development of "honeycombing" in Hawaiian skipjack tuna.
Sep. 469 Iron sulfide discoloration of tuna cans.
Sep. 470 Identification of tuna pigments.
Sep. 473 Iron sulfide discoloration of tuna cans.
Sep. 478 Iron sulfide discoloration of tuna cans.
Sep. 479 North Pacific albacore tuna exploration by the M/V John N. Cobb.

Turtles

FL 69 Markets and recipes for fresh-water turtles.
FL 91 Turtles in the home aquarium.
FL 190 Turtle trapping.
FL 216 Diamond-back terrapin culture.

Whales

FL 248 Japanese whaling in the Bonin Islands area.
FL 371 Japanese whaling industry prior to 1946.
Sep. 476 A picture study of an American whaling operation.
